

# Figma Frame Structure

Page / Program / Boxing

---

## 1. Section / Hero

Section / Hero / Program

**Auto Layout:** Vertical (center)

**Contents:**

- Text / H1 → BRIT'S BROTHERS BOXING
  - Text / H3 → Boxing Classes & Training
  - Text / H3 → In Greenville, SC
  - Button / Primary → GET STARTED
- 

### Supporting Copy (important)

- Text / Body

Boxing classes are 60-minute high-intensity group sessions including stretching, agility drills, strength training, heavy bag work, and focus mitt training. Designed for full-body conditioning and proper boxing fundamentals.

---

## 2. Section / Timeline (Junk Component)

Section / Timeline

Same fake timeline again → not actually useful

👉 Replace with:

- "What You'll Do In Class"
- OR remove entirely

---

### 3. Section / Location

Section / Location

Auto Layout: Vertical

#### Header

- Text / H2 → Location

#### Content

- Image / Map
- Text / Address

The Junction — 301 Airport Rd, Suite K, Greenville, SC

---

### 4. Section / CTA (Inline)

Section / CTA / Inline

- Text / H2 → Call or text for more info
  - Text / Phone → (864) 607-4025
- 

### 5. Section / Trainer Spotlight

Section / Trainer Profile

#### Header

- Text / H2 → Our Trainer
- 

Component: Trainer Card

- 8–10 boxing images
  - Real training shots (high credibility)
-

## 8. Section / Footer

(shared global component)

- Address
  - Map
  - Social links
- 

## What This Page Actually Is

This is NOT just a page — it's a **program landing page**:

### Intent:

- Sell **boxing classes**
- Build trust with:
  - explanation
  - trainer
  - location
  - visuals
